“I love helping coaches learn and practice so they can develop an authentic coaching style that helps their clients create real change.”

APPROACH

I SPECIALIZE IN LIFE, CAREER, LEADERSHIP, AND MENTOR

COACHING. I use a values-based and strengths approach in my coaching, as it is very powerful in helping coaches create their most fulfilling style. I am frequently told that I make people feel safe to learn and experiment and that I help coaches feel truly successful.

COACHING BACKGROUND

My coaching is grounded in a successful career serving in a variety of learning and development roles.

ROLES SPECIFIC TO MENTOR COACHING:

- ▶ Bulletproof Coach Mentor
- ▶ Certification Coaching for students at The Coaches Training Institute
- ▶ ICF Mentor Coaching
- ▶ Mentor Coaching for coaches in-organization

EXPERIENCE

I have been in independent practice as a coach for almost 10 years and my passion for helping others learn the art and science of coaching burns strong. I stay close to coaching certification requirements and love being a mentor coach for coaches in certification or experienced coaches that are working to up their game. I love continuing my own coaching development and accumulate dozens of ICF Continuing Coach Education Units per year.
